RE THE GRANT OF ALLOWANCES AND FREE QUARTERS AT KOLAR GOLD FIELDS.

...

17 The two files placed below relate to the question of quarters provided for Government servants in the Kolar Gold Fields. In one of them the question of abolishing house rent which is now being recovered from Police Inspectors, Sub Inspectors & is under consideration. On the other the question of granting an allowance to Mr. Bocquet, Chief Inspector of Mines or giving him free quarters is under consideration.

8 2. From the list of Government buildings for 1923-24 (Vide Flag "B") it appears that quarters are provided at Kolar Gold Fields for the following officers:-

Police Department:-

19

1. Police Inspector at Champion Reefs,
2. Police Inspector,
3. Chief Constable,
4. Police Inspector at Robertsonpet,
5. Police at Coromandal,

A | It is believed that the District Medical Officer, Kolar Gold Fields and the other Medical officers employed in the Hospital are given quarters in the premises of the Hospital.

B | Of the officers of the Police Department it would appear that the Superintendent, the Dafedars and constables pay no rent though this does not appear from the list. The Police Inspectors, Sub Inspectors etc. pay rent. Of the others Sl. Nos. 16, 17 and 18 pay rent and the others have free quarters.

order passed in 1922 on the recommendations of the Special Finance Committee most of these allowances were abolished or continued at reduced rates for existing incumbents. The Amildar of Bowringpet, the Special Magistrate and the Munsiff, Kolar Gold Fields the Lady Aothcary, Robertsonpet, the Public Works Sub Division Officer, Bowringpet, and the Superintendent, Water Works, Bethmangala, who were drawing allowances before do not draw them now. A local allowance of Rs.5 which officials drawing more than Rs.15 in Bowringpet Taluk and School masters within 15 miles of the Kolar Gold Fields and in Mulbagal town were drawing before and a special allowance which was being drawn by Police officers whose pay were more than Rs.15 posted for duty at the Kolar Gold Fields were all abolished. An exception was made in the case of orficers of the Mining Department in view of the specially arduous nature of the duties entrusted to these officers. It appears also that under other orders Police Seargents and constables get a local allowance of Rs.10 and Rs.4 respectively.

2cc In the result the position in regard to the local allowances and house rent or free quarters work out as below:-

2g The present Deputy Commissioner gets an allowance of Rs.75. His successor will not get anything. The District Medical Officer has free quarters and gets a local allowance of Rs.50. The Health Officer gets Rs.50 as local allowance and Rs.50 as house rent allowance. The Lady Apothcary has a house free of rent. The Superintendent of Police, Kolar Gold Fields gets an allowance of Rs. 100 on personal grounds and has free quarters. Officers of the Mining Department are given duty allowances as a special case. The Inspectors and Sub Inspectors of Police get no allowance but pay house rent for quarters provided. The Sergents and constables of the Police Department get an allowance of Rs.10 and Rs.4 respectively and have free quarters. The Inspector of Mines is provided with quarters and pays rent therefor. A few officers of various departments are given quarters for which they pay rent. They get no allowance on account of the costliness of the locality.

2h The manner in which the Police on the Fields have been made to pay rent illustrates the rather perplexing manner in which well intentioned orders work hardship to poor people. Quarters in the Kolar Gold Fields for the Police were first provided under an order of 1900. They were meant for convenience of

NOTE.— Contn. Sheet

Serial No

of work. Under the general order of 1901 regarding the rent they should have been given free. In the beginning they were given free. As the end of a year or two some repairs were felt to be required to the quarters and the local officers arranged to recover a small sum from each constable and officer not as rent but as contribution for repairs. This was reported to Government and permission was sought to utilize the amount for repairs. There was perhaps no need to seek permission. When it was sought, however, Government directed that departmental receipts should not be used for departmental expenditure, that the rent recovered should be credited to Government and that provision would be made in the Budget for repairs to Police buildings. The recoveries which were more or less privately organized and voluntarily submitted to by the members of the Force could perhaps be hardly called departmental "Receipts" but by this order they were given that character. When the general order of 1908 regarding rents for quarters provided for officials was passed and officials drawing less than Rs.15 were exempted from payment of rent it was observed that this order did not apply to the Police of Kolar Gold Fields. They were excepted from the privilege and ordered to continue to pay rent as before. The Public Works Department seem in some years to have calculated house rent deduction in these cases on the salary instead of pay. A part of such an allowance as the cycle allowance was thus deducted for house rent. Mr. Srikantesavara Aiyar when he was Inspecto General of Police, proposed that recovery of rent in these cases might be abolished. When the proposa

Serial No

proposal was considered in Government the Financial Secretary observed that the men draw very liberal allowances for being posted in the Kolar Gold Fields and provision of suitable quarters at a rent of rupee one or two cannot be regarded as a hardship and said that the Inspector General's proposal might be sanctioned. These proposals were, however, not sanctioned as the question of excusing all rent in the case of men on less than Rs.15 was not decided and the whole matter was postponed. When the general rates of rent were enhanced by an order in 1921 the District Superintendent of Police of Kolar Gold Fields forgetting that such general orders did not apply to his Force inadvertently raised the rents in his department. By two orders subsequently passed, however, dafedars and police constables in Kolar Gold Fields have been excused rent for the quarters occupied by them and only officers of the rank of Inspectors, Sub Inspectors, Head constables, etc. are now paying rent. The Inspector General of Police has now proposed that this rent may be abolished

A

2) It is for consideration whether the Police Insps. and other Police officers in Kolar Gold Fields be all allowed to occupy quarters free of rent. Dafedars and constables now occupy quarters free of rent and the District Superintendent of Police is also given the use of quarters free of rent. Quarters are provided to these officers more from the point of view of departmental convenience. The total amount that is being recovered is only Rs.50-4-0 a month and the loss to Government in case rent is abolished will not be much more than Rs.600 a year. It would seem therefore that rent

A

They may be given the concession of occupying free of rent for

NOTE.—Contn. Sheet

Serial No A

rent may be abolished in the case of these officers. Certain of the constables are shown in the statement x of buildings as paying rent. If this is so they should also be excused payment of rent like other constables.

30

Another point for consideration is whether any or all the officers of the Mining Department should be given quarters free of rent or given an allowance to cover house rent expenditure. These officers are given duty allowances ranging from Rs. 50 to Rs.100. Officers of similar rank in other departments are not getting such allowances. The case of these officers stands therefore on a different footing from that of the Police officers. House accommodation might be given free either on account of expensiveness of locality or for satisfying the requirements of work. Neither of these conditions would seem to be satisfied in this case. If one of the officers is given free quarters the others also would have to be given free quarters. Smilar concession may be claimed by officers of the same rank in other departments. It is for orders if it is desirable to create this liability.

B

29

A third point for consideration is whether quarters be given free to any other officers. The other officers who are now paying rent are five officials in Champion Reefs and the Head Munshi. It has been proposed above that house rent be abolished in the case of Police Inspectors, Sub Inspectors etc. Officials in other departments on the same rate of pay being no better off, it might be desirable to make a ruling that the quarters now provided in the Kolar Gold Fields area for all officers getting less than a certain

certain amount i.e., Rs.100 per mensem shall be free. As these cases relate to rents for Government buildings the Public Works Secretary may also be consulted

In the case of Police officers, there is no objection for the quarters being given free for Government officials drawing less than Rs 100 as the total amount of loss to Government is only Rs 600 as mentioned in the note marked A in blue pencil.

For the quarters occupied by other officials and officers drawing high salaries it is desirable that quarters are not given free of rent because no special reason has been put forward for granting free quarters except the inordinately high cost of living in the locality and this cannot be considered to be of sufficient importance to justify the granting of free quarters which are only allowed on account of the specially arduous nature of the work requiring the constant presence in the locality of the occupant of the rent 'free quarters'.

For granting or house rent to officials in the K.G.F.

Extract from the Proceedings of the Council is put up.

Forwarded, with compliments, to the Financial Secretary to Government, under paragraph 9 * of the Government Order No. G. 17572-8—G. M. 676-17-1, dated 22nd June 1918.

By Order

Chief Secretary to Government.

*9. (a) If the views expressed by the Financial Secretary in any case, whether original or un-officially referred, are not accepted by the Member of Government in charge, or by the Dewan and Members of Council, as the case may be, the file containing the discussions shall be sent to the Financial Secretary a second time, in order to enable him, in cases in which he considers that the orders proposed to be issued are opposed to financial rules of Government or to recognised financial principles or for other reasons of a financial nature, are open to objection, to record a respectful representation to that effect, which will be placed by the Dewan before His Highness the Maharaja for consideration.

(b) All cases sent to the Financial Secretary under this rule should be treated as immediate and returned to the Department concerned within three days of receipt.

(43)

Mr.Bocquet is proposed to be allowed a free house. The value of this concession is about Rs.140 per mensem, his salary being Rs.1,200 + 200,duty allowance. When, on financial grounds the K.G.F. allowances are being abolished as opportunity occurs, so as to bring the emoluments of the gazetted officers residing in the Fields in line with those in the other parts of the State, I may respectfully submit that the grant of this new privilege, even though as personal to Mr.Bocquet may form an inconvenient precedent.

46) I attach herewith a statement showing the names of officers who occupy quarters free of rent, those who pay rent, and other concessions enjoyed by the officers who are working in the Kolar Gold Fields. The Inspector General of Police has recommended that Police Officers may be given rent free quarters. Mr. Bocquet, Chief Inspector of Mines, has been asking either for rent free quarters or enhanced duty allowance. The entire position was examined and the Council have resolved that the concession of the rent free quarters may be extended to Police Inspectors and Sub Inspectors. As regards the Special Superintendent of Police, who has the privilege of occupying rent free of quarters, it may not be possible to withdraw the concession, but the question whether it is necessary to continue the same on a change of incumbent will be considered separately.

47) As far as Mr.Bocquet is concerned he is very near the term of his office. Recently we have appointed a local officer for the post of Inspector of Mines and reduced expenditure. Some consideration is due to this officer. But the Financial Secretary points out that the value of the concession amounts to Rs.140 per mensem and the grant of this privilege, even though it may be stated to be personal to Mr.Bocquet, may form an inconvenient precedent. I have invariably set my face against recommendations for the special treatment, but in the case of Mr.Bocquet, I feel that some consideration is due to this officer on account of his service and the peculiar character of work he is engaged in. We have recently shown some special consideration to European Officers employed in the University by giving special allowance of Rs.150 Mr.Bocquet, though he may not be entitled to similar allowance, deserves special consideration.

48) The Resolution of the Council may be graciously approved.

Order ~~Thereon~~ No. I.C. 447-9

In accordance with the order read above Mr Bocquet Chief Inspector of Mines is at present paying rent at the rate of Rs 70 per mensem calculated at 5% his salary for the Govt quarters occupied

by him. He has several times requested that he may be exempted from paying the rent or given an allce for their rent. Govt are generally not in favour of granting exemption from house rent or house rent allowances ~~to high Officers of Govt~~ in such cases. In view however of the fact that Mr Bracegirdle is near the ~~completion~~ term of his office and of the length of his service and the peculiar character of the work he is engaged in Govt could consider that some concession in this respect may be shown to Mr Bracegirdle They accordingly direct that Mr Bracegirdle be allowed the use of the Quarters now in his occupation free of rent from 1st July 1926. This concession will be personal to him
